Deadlines Tab

Overview

- *Switching between deadlines and to-do list tabs*
- *Deadlines*
 - Users can add upcoming deadlines by entering a name, date (optional), and notes (optional)
 - Users can update and delete deadlines
 - Users can view their notes by clicking on that deadline in the list
 - Users can sort deadlines by earliest date first or latest date first
 - A red date represents that the deadline has passed, orange means it's coming up soon
- *To-do list*
 - Users can add tasks to a to-do list by entering a name and notes (optional)
 - Users can view their notes by clicking on that task in the list
 - Users can update, delete, and check off tasks
- *Viewing to-do list history*
 - Completed tasks go into a history pop-up with a timestamp of completion
 - User can view their notes by clicking on that task in the history pop-up

Income Tab

Overview

- Adding New Income
 - Users can add new income sources by adding the name and type of income
 - After selecting type of income they can fill out additional fields to correctly organize their income
- Savings Goals
 - Once added users will have the option to save a portion of their income to a savings goal
 - Users can create new savings goals via dropdown that will appear on the goals page
- Income Ledger
 - Added income will be automatically saved to the income ledger
 - Users will be able to see their previously entered income by selecting “View Ledger”
 - Each income revenue is removable
- Income Header
 - Any income added/removed will update the income total at top of the page

Adding New Income Streams and Savings Goals

The screenshot shows a mobile application interface for managing income. At the top, the word "Income" is displayed in bold, followed by "Total Income 0.00" in green. Below this is a blue card with the title "+ Add Income". Inside the card, there is a "View Ledger" button, a text input field for "Title / Name of Income" with a placeholder example "e.g., Campus Barista, Freelance, Company Name", and a "Type of Income" section with three radio button options: "Hourly", "Lump sum (odd jobs / one-off)", and "Annual salary". At the bottom of the card are "Save income" and "Reset" buttons. A yellow circle highlights a small icon on the left side of the screen. The bottom navigation bar contains four icons labeled "Dashboard", "Income", "Transactions", and "Goals".

Viewing/Editing Income Ledger

The image shows a mobile application interface for managing income. At the top, the word "Income" is displayed in bold. Below it, the "Total Income" is shown as 4081.54 in green text. A blue button labeled "+ Add Income" is positioned above a white button labeled "View Ledger". Below the "View Ledger" button is a text input field for "Title / Name of Income" with a placeholder example: "e.g. Campus Barista, Freelance, Company Name". Underneath is another text input field for "Type of Income" with three radio button options: "Hourly", "Lump sum (odd jobs / one-off)", and "Annual salary". At the bottom of the form are two white buttons: "Save Income" and "Reset". A large white circle with a mouse cursor icon is centered on the blue background. At the very bottom, a dark blue navigation bar contains four icons with labels: a house for "Dashboard", a wallet for "Income", a document for "Transactions", and a bar chart for "Goals".

Goals Tab

Overview

- *Integration with other pages*
 - Goal function accessible through Income and Transaction tabs (Savings and Spending, respectively)
- *Manual entry*
 - Users can manually add goal/limits on the Goals page itself
- *Flippable card mechanism*
- *Updating existing goals*
 - Users can update existing goals by entering amounts with the record deposit/expense functionality and pressing the “Record” button
- *Viewing individual deposits/expenses*
 - Users can click on the dropdown arrow next to each goal to see individual entries
- *Progress bar*
 - The progress bar and percentage associated with each goal will update accordingly, reflecting either a green or red color instead of the default blue/gray color once the goal has been reached/exceeded
